ALKIDRA GROUP UK LTD

At Kidra Group UK LTD, we are committed to making the world a healthy place to live by operating in two sectors that are essential for people and families; cleaning and healthy food industries.

Cleaning services include a wide range of services required by commercial and residential sectors. These services have gained popularity, owing to factors such as growth in construction activities, investment in real estate, increased disposable income, and growth in number of working women, which have led to progressive cleaning services market trends.

Healthy food sector is growing globally as people are gradually adopting healthy and active lifestyles and changing their eating habits by consuming unprocessed and whole grain food and including a diet with varied and balanced nutrition.
